DEFINITIONS

- **Career Program Move:** An AF centrally paid move to a centrally managed position

- **Centrally Managed Position:** Includes GS-12 and above, when properly identified on the position description and managed by the CFTs; PCS funded by the CSA PCS account

- **Current Federal Civilian Employee:** Refers to civilian employees already holding a position within the federal government, to exclude military. This could include other DoD agencies and/or other Federal agencies.
ELIGIBILITY

▪ To be eligible for an AF centrally funded career program move, employees must be transferring to a centrally managed AF position, or hired as a first duty into a centrally managed position

▪ **Separating or retiring military members are not considered current federal employees for purposes of their first civilian PCS - they are considered First Duty moves**

▪ If the position IS NOT centrally managed, employees may be authorized an AF locally funded move, meaning the organization will pay PCS costs and discretionary benefits may vary
ELIGIBILITY (Cont’d)

- When two or more federal employees, who are members of the same immediate family, are transferred in the GOV’T’s interest; i.e. they both receive job offers for different positions at the same (and new) PDS, they may elect to receive the travel and transportation allowances authorized as one of the following:

  - Each employee separately – each employee is eligible for travel and transportation allowances as an employee, but is not treated as the other employee’s dependent
  
  - Only one as an employee – each employee is eligible for travel and transportation allowances as a dependent
ELIGIBILITY (Cont’d)

▪ An election must be in writing and signed by all affected employees

▪ Duplication of Benefits not Authorized - employee and/or dependents can not accept or receive duplicate reimbursement for the employee's covered relocation expenses and must be able to state that to the best of the employee's knowledge, no third party has accepted duplicate reimbursement for the employee's relocation expenses.
EMPLOYEE RESPONSIBILITY

We recommend you download this briefing to your home and/or work computers for future reference as you begin your PCS planning process.

- The selectee will receive the OM invite email with job information, instructions about OM, and pre-employment forms requiring completion within the tool. The invite email auto-generates a second email (the OM access), which provides a link to OM that the selectee must use within 72 hours of receipt.

- The selectee must check the “I certify that the name listed above is my full legal name and shall be displayed on all items resulting from the on-boarding process” block before proceeding or access will be denied.
EMPLOYEE RESPONSIBILITY (Cont’d)

- You will receive a “PCS Required Documents List” that lists situations where additional documents may be required prior to completing your PCS orders. Review this list and the situation and submit the required documents to your assigned PCS technician, if applicable. Examples include:
  - Birth certificates and custody documents for children under 21 who do not share the same last name of the selectee
  - Marriage certificate for spouse that does not share the same last name of the selectee
  - Children over the age of 21 incapable of self-support
STAFFING OFFICE (AFPC/CPS)
- You should receive multiple e-mails with directions from the staffing POC
- Selecting Officials / Civilian Personnel Section (CPS)
  - Responsible for filling in portions of OM
  - Assist in answering questions

PCS UNIT
- Responsible for orders production
  - You will receive a PCS unit welcome letter with the name of your technician and contact information
- Assist with understanding entitlements and allowances authorized within the JTR, AFMAN 36-606, and the DSSR
RESOURCES OFFICE

- Responsible for funding orders. This office also serves as the POC for DoD National Relocation Program (DNRP), Real Estate, and Property Management Services, and TQSE Extension Requests.
TIMELINES FOR ESTABLISHING EOD

- Once a completed PCS-1 Worksheet and all required documents are received by your PCS technician, your EOD will be established 65 days out for OCONUS moves.
- EODs must be set at the beginning of a new pay period (Sundays).

**Example: Tentative** Completed PCS-1 and supporting documents received by PCS technician on 10 Aug 2018, 65 days from that date is 14 Oct 2018, the new pay period also begins on 14 Oct 2018; therefore the EOD will be 14 Oct 2018.
This allows employees approximately 50 days with orders in hand to out-process & prepare for the move

**Exceptions:** Senior Executive Service (SES), BRAC & PPP

- SES EODs are set as requested by the organization & orders processed within 72 hours
- PPP EODs must be within 45 days of a valid match for OCONUS moves (30 days CONUS) and orders processed within 72 hours
- BRAC EODs are set & maintained in accordance with base closure timelines
The selectee can check the status of their PCS order 24 hours a day by accessing the MyPers website at: [https://mypers.af.mil/](https://mypers.af.mil/) and selecting “My Account”
